

## **British Dietetic Association NE Branch**

### **Treasurer's Annual Report 2017-2018**

Total Funds in the budget at close of last year was £910.15.

This year we received educational support for 3 of the 4 branch events held. This support has been from Nutricia, Prosource and Aymes.

Compared to last year there has been a decrease in income due to the fact that the Nutricia event was free and all proceeds from the Oncology event were donate to Macmillan. There has also been increased out goings to pay for Key note speakers and their travel. We were let down with one sponsor and had to fund the food at the Oncology event. There is also a bank charge that needs to be clarified.

<u>Balance (16/17)</u>	<u>910.15</u>
<u>Income</u>	
Managing Eating Disorders	372.30
Total	<u>372.30</u>
