Dear PENG member

Please join PENG to celebrate its 40th Birthday in Liverpool this September.

This will be a great opportunity to enjoy an informal night of fun, great food and entertainment as we celebrate this amazing milestone that has only been made possible due to your continued enthusiasm and involvement as PENG members.

Our venue is situated in a fabulous location in the heart of historic Liverpool with striking views of the Liver Buildings and the Albert docks. Liverpool is a fantastic city to visit so please do come and take advantage of all that it has to offer.
